Description	<p>This luxury hotel 5 stars is situated in Via Veneto, Rome's most elegant and fashionable street and the centerpiece of the Dolce Vita</p> <p>Visitors are welcomed at the entrance through an elegant wrought iron gate, whose perimeter houses an original out-of-doors area which is reminiscent of the Bohemian street caf��s. An amazing period stucco work and the play of light resulting from the alternation of enameled surfaces, marble and refined finishing, lead to 87 luxury hotel rooms on 8 floors, including Executive and Presidential Suites with panoramic view, where luxury, comfort and excellent services are united in refined designer furnishings: a vibrant atmosphere in which one can relive the fascination of the Belle ��poque in the most sophisticated of contemporary luxury.</p>
